COOKSEY-MacMULLIN STUDIO OPENS.

Mrs. Jessie Cooksey and Mrs. Helen MacMullin, who recently formed a partnership, are now in possession of the new building which has been built especially for their use on North Brand Boulevard, and a public reception as a sort of house warming will be announced later.

The photographic studio and apartments include the north side of the building, giving that light and shade so dear to the photographer's heart, with elegant reception and dressing rooms most artistically and conveniently arranged. The south side consists of a suite of rooms which will be devoted more especially to the use of Mrs. MacMullin and her daughter, Miss Helen.

Our old friend, W. P. MacMullin, the man of the concern, while doing the heavy work of seeing that the building was done "according to Hoyle," is content to stand back and let the ladies have their say.

We predict a brilliant success for the "Cooksey-MacMullin Studio" from the start.

LOCAL LABORATORY GROWS

Dr. H. R. Harrower to Open Branch Offices in Chicago and New York

As soon as railroad conditions will permit, Dr. Herny R. Harrower will leave for the east to superintend the opening of branch offices in Chicago and New York. These offices have been found to be essential to the prompt and satisfactory conduct of the rapidly increasing business of the Harrower Laboratories of Glendale, California, as they will henceforth be known.

A. Rickart will have charge of the Chicago office, and L. W. Sturdevant of the one at New York, and both men and their families are leaving at once for their new locations.

As all of the office stationery and advertising matter of the business bears the legend, "Home Office, Glendals, California," it will easily be seen that Glendale will be strictly on the map compared with New York and Chicago.

A NOVEL SHOWER

Through the agency of the Sunday School teachers and officers of the Tropico Presbyterian Church, a delightful and novel party was given at the Dr. Richardson home on South Brand Boulevard Friday evening of last week for Miss Lois Duncan and Mr. John Cate.

The party gathered at the church and went in a body to the Richardson home, where by previous invitation the guests of honor were spending the evening, and completely surprised them. After an informal social evening of games and fun, the gifts brought by the guests were humorously auctioned off by E. H. Fry, then bestowed the packages upon the honoree. Miss Duncan is greatly beloved in the church and the many pretty and useful gifts she received were sincere tributes to her popularity. After she had opened the packages and their contents had been inspected and admired, delicious refreshments were served by Mrs. Richardson. Such a good time did the merry-makers have that they did not get home until one o'clock in the morning. The marriage of Miss Duncan and Mr. Cate is to take place September 3.

THE JOLLY OLD FOLKS' PICNIC.

There are in Southern California a great many people who were born over seventy years ago. These people are not old in spirit, and they like to meet for a picnic reunion as well as the younger folks. So if you are over seventy, this is your invitation for yourself and all your friends past that age to attend the annual picnic reunion of all the people in Southern California who are past seventy years of age.

This, our eighth annual reunion, will be held in Sycamore Grove, Los Angeles, Saturday, September 6, 1919. (Please remember, it is held each year the first Saturday in September.) It is an all-day picnic with a basket dinner at noon, an informal program following. Bring your dinner, also cup and spoon. Coffee with cream and sugar will be furnished free for all. Come as early as you can and have a happy day with these jolly old-young people. It is intended for those over seventy, but if you need help to carry your dinner, or to aid you, why, just bring any friend along. Pass the word on to just as many as you can so all may know of it. If you are not yet old enough, give this to someone who is. If you have an extra invitation, give it away; do not waste it.

If you want further information, call up C. H. Parsons, secretary of the Federation of State Societies, Main 5635 or Home 10459, or see him or write to him at the Hibernian Savings Bank (in the former location of the California Savings Bank), Fourth and Spring streets, or see F. W. Hart, secretary, 516 Stimson Building, Los Angeles, A-5344.

Well, cheer up. It could be worse.

Americans are coming to take it as a matter of course that jails and work-houses shall close up shop as one result of the nation-wide prohibition, but nobody seems to have thought that any considerable part of the police force could be anywhere done away with. Yet why not, if liquor has been the chief incentive to crime and disorder? And, at any rate, here is the report already current in Boston that the police commissioner believes he can easily get along with 300 fewer men on the force. This may be unwelcome news to the policemen, especially those who are considering the advisability of striking for more pay—not to mention the 200 applicants who have just been examined for possible appointment to the service; but it appears to be a round tribute to the beneficial effects of the "saloonless nation," even though it is not yet A. D. 1920.—Christian Science Monitor.

PROCEEDINGS OF BOARD OF TRUSTEES

The regular meeting of the Board of Trustees was held August 28, 1919. The Board assembled at 8:10 p. m. Present at roll call: Trustees Henry, Jackson, Shaw and Woodberry. In the absence of the chairman, Trustee Shaw was elected chairman pro tem. Minutes of the regular meeting of August 21, 1919, were read and approved.

Mr. John H. Mahan of North Louise Street appeared before the Board and requested that he be permitted to use a shot gun in shooting the birds that are destroying his fruit. Trustee Jackson made a motion, seconded by Trustee Woodberry, that his request be complied with and a permit be granted.

A communication was read from the California State Board of Health, calling attention to the convention of health officers of the state to be held in connection with the convention of municipalities at Riverside, October 20-24, 1919; requesting that Glendale's health officer be present. Referred to the committee of the whole.

Applications for Jitney Permits

Applications for permits to carry on jitney service were presented from Robert Hankins and Leo Goode; both having the approval of the City Manager, were, on motion of Trustee Henry, granted.

Communication from B. P. O. E. 1289

A communication was read from Glendale Lodge No. 1289, B. P. O. E., requesting that the city furnish a policeman to be in attendance on meeting nights of the lodge about the grounds outside of their hall, as there recently have been seveal cases of property being stolen from automobiles and at least two machines stolen on lodge nights. On motion of Trustee Henry, the communication was referred to the City Marshal to take such action as he sees best under the circumstances.

City Treasurer

The City Treasurer presented a tax deed executed by him to the city of Glendale for Lot A, Tract 957, sold as the result of foreclosure proceedings on bond issued for the improvement of Park Avenue. Referred to the City Attorney as to form.

City Manager

The City Manager presented a report of the Public Service Department for the month of June, and also a balance sheet for the same department up to July 15. Accompanying the same was a recapitulation of the operations of the Public Service Department, showing the net earnings of the water and light business for the past fiscal year ending with June 30: Surplus $32,579.75, reserve set apart for depreciation $20,049.61, total surplus and reserve $52,629.36. Out of profits the current indebtedness of the Public Service Department has been reduced during the fiscal year in the sum of $24,606.64, outstanding bonds retired during the year, $3,500. The balance of the surplus and reserve has been invested in extensions and betterments. Referred to the committee of the whole.

The City Manager reported that in compliance with the requirements of Ordinance No. 355 there had been established the public service bond interest and redemption fund, and recommended that 6 per cent of the daily receipts of the Public Service Department be credited to this fund. On motion of Trustee Henry, the recommendation of the City Manager was adopted, and the money ordered to be appropriated on the basis recommended by him.

The City Manager made a report on the bill submitted by the Southern Pacific Railway Co. for the removal of the Tropico tower. In conjunction with the City Engineer he had investigated the work done and material furnished in connection with the job, and further finds that the expenditure was authorized by the action of the Board of Trustees of the city of Tropico. On motion of Trustee Woodberry, the bill was approved and ordered to be paid when money is available from the present tax levy.

Communication from Bank of Italy

A communication was presented from the Bank of Italy, accompanied by a quit claim deed, which the communication requested be executed by the proper officers of the City of Glendale, covering Lots 6, 7 and 14 of the Max Muir Tract. Referred to the City Attorney. Later the City Attorney repored in regard to the matter, advis-

ing that the deed be executed as requested, and on motion it was ordered that the chairman of the Board of Trustees and the City Clerk sign the same.

City Engineer

The City Engineer reported that a fence had been constructed across Palmer Avenue at the foot of Adams Street. On motion of Trustee Henry, the City Engineer was instructed to ascertain who was responsible for the erection of the fence and to give notice to the party that the same must be removed.

City Attorney

The City Attorney reported in regard to the taking over by the City of Glendale of the plant of the Tropico Light Co. that the releases of trust deeds which had been promised by the light company had been received, and recommended that the same be accepted and recorded. On motion of Trustee Jackson, it was so ordered.

The City Attorney reported that in the opening and widening of Adams Street final judgment had been entered and the award satisfied, leaving all clear to proceed with the improvement of the street. He made a similar report in reference to the opening and widening of Eighth Street from Verdugo Road to Glendale Avenue.

The City Attorney presented a draft of a new jitney buss ordinance, which was referred to the committee of the whole.

Under the head of unfinished business the matter of the complaint against the Crystal Ice Co. came up, and in the absence of the chairman, action on the same was deferred.

Adjourned.

Mrs. John Crane met with quite an accident last week. While canning fruit she spilled scalding water on her arm from the back of her hand to her elbow, but it is healing nicely now.

Edible Alarm Clock.

It was late in the afternoon when the Scotch minister arrived at the farmhouse. The housewife suggested that perhaps he would like a cup of tea before he began the "execises:" "Na, na," said he, "I aye tak my tea better when my work is done. You can put the pan on and leave the door ajar, an' I'll draw to a close in the prayer when I hear the haam fizzin'."

Jottings By The Way

By The Rambler

H. W. Butts and family, it is reported, will move to Long Beach soon.

E. Dreifus of San Diego is a visitor at the Glendale Sanitarium.

Our celebrated water! It needs the doctor again. Perhaps, methinks, it is already doctored too much.

Henry and Grace Specht of Del Sur are visiting the home folks for a few weeks.

Why is a strike?

Nearly every Glendale letter carrier will celebrate Labor Day by marching with the union boys in Los Angeles. That's right, boys! United we stand—and you know the rest.

Plenty of fresh air is necessary at all times in the churches and theatres of our town.

'Specially in the M. P. shows!

Ever notice how Atwater Park is growing by leaps and bounds? New houses going up all the time.

Did you miss the K. of P. entertainment?

It was a good show, all right. The hall was crowded to the limit. A number of Knights from Van Nuys were present. The program was excellent, consisting of addresses by Haynes and Templeton, solos by Misses Bradshaw, Cadd and Tibbert. Also a one-act sketch was presented by Glendale Lodge's star actors and was accorded much applause. Prof. Hibbert, with some brand new tricks, mystified and amused the audience. L. C. Hayne, chancellor commander of Glendale Lodge, entertained the audience with a cornet solo. It was a very enjoyable affair. There is something doing all the time at the K. P. lodge. Watch for the next entertainment and don't miss it.

Well, another strike and we'll all be out!

The letter carriers walked out the other day.

Let's have some good pure water, as long as we are compelled to drink it.

The steam railroad service is not quite normal—yet.

Well, cheer up. It could be worse.

Behind the present cloud is the sun still shining.

Faint heart ne'er won, etc.

Henry Dunlap of Laclede Avenue is at Avalon.

Mrs. H. D. Cross and daughter have just returned from a visit at Long Beach.

The Huses have also been at Long Beach.

Oh, girls! We hear that the A. B. C. man is to lead the Labor Day parade.

Postmaster George Hallet of Glendale is away on his annual vacation.

George F. Stine of East Acacia St. is reported to be some better.

A collision at Lomita and Brand wrecked the John Crane car recently, but fortunately Mr. Crane escaped with some small cuits in the face. The driver of the other car, the editor of the Sierra Madre paper, shouldered the blame and will reimburse Mr. Crane for all damage.

Married: Leo E. Light and Miss Helen Braun were married in Los Angeles Wednesday, August 19, and are now on their honeymoon trip, which includes San Francisco and adjacent points. We would have been glad to have given the happy couple a more extended "write-up," but when they slip one over on us like this, "it can't be did." Congratulations all the same.

WALLACE CRAMER AT HOME

The Cramer home on East Acacia is a happy one this week over the final arrival home of their soldier boy from overseas on Tuesday evening, having received his final discharge at San Francisco.

Wallace is reported as looking fine, though a little thin, and while glad to get home, yet plans to "get back on the job" with his old employers, the Standard Oil people, probably at Taft or Bakersfield.

HOW ABOUT THOSE SIGNS?

Among the recent automobile laws passed was one making it obligatory on communities to post conspicuous red and blue triangular signs on all roads entering their city giving the speed limit allowed.

It is also noted that no successful prosecution for violating the speed limit can be maintained if these signs are not in place. If Glendale officials want to hold the "speeders" in control they had better get busy and install these required signs.

LOCAL HAPPENINGS

Little Harley Bownen of West Cypress has been quite ill, but is reported out of danger now.

Mr. T. Hammond expects to leave soon for a visit in the East. He will visit in Ohio and Illinois.

Mr. nad Mrs. John Erhnson of Los Angeles were the Sunday guests of Mr. and Mrs. T. Hammond.

Mrs. Arthur Paine of Berkeley, a one-time resident of this section is a guest at the Van Etten home this week.

Miss Ione Virden, of the Tropico Pharmacy, returned Monday from an enjoyable week's vacation at Catalina Island.

A special meeting of the Relief Corps was held Tuesday afternoon at the G. A. R. Hall, and some twenty news members were initiated. That's growing some.

It would take more than newspaper "say-so" to convince the residents of East Glendale to believe that the P. E. service is normal, as there has not been a car run out on East Broadway for two weeks.

The Knights of Pythias had a very delightful entertainment Tuesday evening. After a short program, consisting of music, readings and sketches, dancing was enjoyed. A jazz band was engaged to furnish the music, but on account of the car strike was unable to be present. Friends, however, volunteered their services and gave music which was much enjoyed.

Mr. Will Dutton and family are enjoying a vacation at Grant's Park.

Mr. Bradshaw of the B. & B. store market is on the sick list this week and has had to have additional help behind the counter.

Mrs. Charles Wallace Kimberly, of San Fernando Road, will leave Sunday morning for Iowa for a few months' visit with relatives.

The house of Louis Gabaig was entered on Wednesday afternoon by a thief, who relieved Louis of his gold watch and a few other articles.

James S. Rose, wife and little daughter, are guests of Mrs. Etta Marsh of South Central. They were former ranch neighbors, and have been making an extended auto camping trip. They will locate for a time in Glendale if they can get suitable rental property.

WILLIAMS-RIFENBERICK

Miss Ruth Williams and Alonzo Rifenberick were married at the home of the bride's parents Wednesday evening, Rev. Edmonds officiating.

Miss Olive Williams and Paul Williams were bridesmaid and best man, respectively, with little Miss Harriet Rich as flower girl and Miss Anna Whitaker at the piano.

At the close of the ceremony a delicious wedding supper was served, after which the happy couple left for San Francisco, where they will make their home, followed by the heartiest good wishes of their host of friends and acquaintances here.

CELEBRATE 44TH ANNIVERSARY

Mr. and Mrs. John Crane of South Glendale Avenue were the guests of honor at a party given at the Yeoman Hall last Saturday evening, which was given by their children and grandchildren in honor of their forty-fourth wedding anniversary.

The relatives who planned and so successfully carried out this pleasant affair were Mr. and Mrs. Charles Bruck, Mr. and Mrs. Walter Weldon of Los Angeles; their daughter, Mrs. Reynolds, and Mr. Reynolds; Mr. and Mrs. Herbert Crane, Mr. and Mrs. Howard Crane. About thirty-five were present, including intimate friends of the celebrants. The hall and refreshment tables were beautifully decorated with fern and pink and white carnations, and music for the dancing was furnished by two grandchildren of the guests of honor, viz: Mrs. Reynolds and Herbert Bruck. At the conclusion of the social program a light supper was sehved, the anniversary cake which centered the bridal table being cut by the honorees.

All members of the family were present, except one son, Charles, of Rockford, Ill., and from him came a telegram bringing the news of the arrival of a ten-pound baby girl at his home, the second child after an interval of sixteen years, and naturally very welcome, both as a daughter and granddaughter.

Mr. and Mrs. Crane were the recipients of many nice gifts and the event was one all present will long remember with pleasure.

NEW PLAN FOR INTERMEDIATE SCHOOL

Mr. White is sending to parents, under date of September 1, a circular letter requesting them to call at the Intermediate School during the week and arrange programs for their children.

The course calls for compulsory work in seventh grade under seven heads for periods as follows: Penmanship and spelling, five periods per week; history, five; English and reading, 6; geography, 4; arithmetic, five; assembly, one; study, one or two. These requirements foot up to twenty-seven or twenty-eight periods. To fill out the week of thirty-five periods the following electives are suggested for combinations to make up the other seven or eight periods: Latin, five; Spanish, five; drawing, four; manual training or domestic science, four; music, five; glee club, two; chorus, three; orchestra, two; typewriting, two; agriculture, two, and hygiene,

The compulsory work for the eighth grade is quite similar, but geography is omitted, algebra is combined with arithmetic and the study periods are four to six, making a total of twenty-six, twenty-seven or twenty-eight periods to be supplemented with elective work of seven, eight or nine periods. In this grade the same number of periods may be given to Latin, Spanish, drawing, music, glee club, orchestra and hygiene as in the lower grade, but domestic science is differentiated to provide for three periods of domestic art, four of cooking or four of sewing. Three periods of mechanical drawing are added, agriculture and typewriting are increased to three periods.

The circular letter explains that the algebra in the eighth grade is intended to be a brief course of about six weeks preparatory to high school algebra.

The only subjects mentioned in the proposed course not now taught are Latin, Spanish and typewriting.

With such liberty of choice the boy or girl with a decided bent in any given direction can specialize to some extent. Thus the boy of mechanical tastes can choose as his electives manual training and mechanical drawing, or if he has professional life in view he can begin Latin, while the chap eager to get into business will probably want typewriting.

AT THE PALACE GRAND

Those who saw "The Girl Dodger," "Greased Lightning" or "The Busher" will not fail to turn out tonight, Saturday, August 30, to greet Charles Ray in another great humorous success, "Hay Foot, Straw Foot." The story is chock full of humor. Charles Ray is in a class by himself when it comes to playing a country boy whose trials and tribulations reach out and touch with a smile the hearts of all the people. That's the sort of a part he will portray tonight. Charles Murray will be seen in a two-reel Mack Sennett Stunt Comedy, "Trying to Get Along," and there will also be Bray Cartoons and Pictographs.

Sunday, August 31, Bryant Washburn will be presented in his very latest picture, "Putting It Over." This is a clever comedy romance and tells a very delightful story—a story which contains all the elements of a most entertaining character. It is bound to send you home smiling. Also Mr. and Mrs. Sidnew Drew, the best loved screen players of our time, in a fun classic entitled "Squared," in two reels.

For Monday, September 1, the Palace Grand has prepared a special holiday program in commemoration of Labor Day. Marguerite Clark will head the bill in another tremendous picture of humor like "Come out of the Kitchen." The new vehicle is entitled "Girls" and is from the famous play by Clyde Fitch. In addition there will be a special comedy, "Betty and the Boys," Gaumont latest news events and Outing Chester Pictures. Holiday matinee and 2:30. Two evening shows, 7 and 9.

On Tuesday, September 2, Douglas Fairbanks is coming back with a return showing of "The Knickerbocker Buckaroo," the biggest and best picture he ever produced. Six thousand seven hundred feet of thrills and laughter—excitement and laughter every single second. A record-breaker for punch and pep. Also Bruce Wonder Mountain Pictures.

Thos. H. Ince presents

CHARLES RAY

in "Hay Foot, Straw Foot"

A Paramount Picture

Wednesday, September 3, there will be presenated a play by Henry Arthur Jones which has ben made famous on the stage under the title of "We Can't Be as Bad as All That." The film version is entitled "A Society Exile," and gives that incomparable screen actress, Elsie Ferguson, an opportunity to present a 100 per cent dramatic entertainment. On the same bill will be seen a brand new Pathe World News and a Lyons-Moran comedy, "Half and Half."

Friday, September 5, Vivian Martin will appear in her latest successful comedy romance, "Little Comrade." This is a delightful story and gives this charming little star an opportunity to show how to "keep 'em down on the farm.'. A peppy Christie Comedy and Burton Holmes Travel Pictures complete the bill.
